Dear Parents,
Greetings of the day!

Classwork/Homework is an important part of a student's education as it helps in developing various core skills that serve them a lifetime. It reinforces learning and helps students retain and understand the material better. Completing classwork/homework on time teaches students time management and prioritization, fosters independence, prepares them for tests, etc.

Any parent who wishes to come for taking picture of classwork/homework are requested to come between **08:30 am to 11:00 am** with a **prior intimation given to the class teacher.**

Requesting you all, kindly follow the above timings to avoid any delay in getting the work.
